

Courtesy Pay

An overdraft occurs when you do not have a sufficient available balance in your account to cover a transaction, but we authorize and pay it anyway. Bay Federal offers Standard Courtesy Pay services with your account, as well as a premium service called Opt-In Courtesy Pay, both outlined below.

We also have other overdraft services, such as a funds transfer from your Bay Federal Credit Union Savings Account, Money Market, a Line of Credit, or a Visa Credit Card, which may be less expensive than our Courtesy Pay services. To learn more, call us at 831.479.6000 or toll-free at 888.4BAYFED, option 3. You may also stop by any branch location to ask us about these services.

What are the standard Courtesy Pay services that come with my account?

We generally WILL authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions made by using your checking account
- Automatic bill payments and ACH transactions

We WILL NOT authorize and pay the following types of transactions unless you “opt-in” to Opt-In Courtesy Pay:

- One-time debit card transactions

It is important to note that Bay Federal pays overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction. If we do not authorize and pay an overdraft, your transaction will be declined.

What fees will I be charged if Bay Federal authorizes and pays my overdraft?

Under our Standard and Opt-In Courtesy Pay:

- We charge you a fee of \$20.00 each time we pay an overdraft
- There is a limit of three total fees per day that we can charge you for overdrawing your account
